

PROPOSED CHANGE TO THE BEEF CATTLE MARKETING ACT & BFO BY-LAW AMENDMENTS

BEEF CATTLE MARKETING ACT

Check-off Increase

Section 6(1) of R.R.O. 1990, Regulation 54, Licence Fees, Federal Agency Levies, under the Beef Cattle Marketing Act

It is proposed that Section 6(1) of R.R.O. 1990, Regulation 54, under the Beef Cattle Marketing Act be amended to reflect a \$1.50 per head increase in the mandatory national license fees payable by a person who sells cattle in the Province of Ontario, from the current \$1.00 per head to \$2.50 per head, to bring the overall Ontario check-off up to \$7.00 per head.

BFO CONSTITUTION AND BY-LAW NO.1 AMENDMENTS

The proposed amendments to BFO's Constitution and By-Law No. 1 are administrative in nature. The first is to update the ministry name to reflect the change in name that took effect in 2024. The second is to provide clear language on the voting procedures used by BFO. A ranked-choice ballot is used in the elections for the positions of BFO Board of Directors, CCA Directors (Board Members) and BFO's Cow-Calf and Feedlot Committee members. All other elections are conducted by secret ballot with simple majority. In the instance of a tie when more than two individuals running for one spot, the bottom person drops off and another vote occurs. The final proposed amendment is intended to reflect current terminology used by the Canadian Cattle Association with respect to the title of "board member" rather than "director".

Any change to check-off rates and/or constitution and by-law amendments must be approved by two-thirds majority vote at the BFO AGM or special meeting of members.
